An account, showing the progress of the colony of Georgia in America, from its first establishment... London, 1741; Maryland: Re-printed and sold by Jonas Green, at his printing-office, in Annapolis, 1742. Washington, P. Force, 1835.
v. 64 p. 28 cm.
The "Account" was written as a vindication of the colony and the Oglethorpe administration from the aspersions of malcontents, and especially as a reply to "A true and historical narrative" drawn up by F. Tatler and others. The "Account" is signed (p. 84): By order of the Trustees, Benj. Martyn, secretary.
